NEW Facility Maintenance Products

PURELL Hand Sanitizers

e-Access Online Ordering

Dear Michael,

The July AmSan Solutions newsletter features our new 1,500+ page Facility Maintenance Products catalog packed full of Maintenance, Repair, & Operations (MRO) products. Didn't think you could order refrigerators, light bulbs, furnace filters, water heaters, door locks, wrenches, drain cleaning machines, and air conditioners on the same order as your floor finishes, mops, trash liners, and hand towels? Now you can - all from AmSan - on one PO, one shipment, and one invoice.

And it gets even better. You can order all of your Janitorial and MRO product needs online with e-Access, developed specifically and exclusively for AmSan customers.

The H1N1 Swine Flu Virus hasn't gone away. AmSan carries the PURELL line of alcohol-based hand sanitizers. From wall mounted electronic touchless dispensers to table top pump dispensers, to pocket size flip-cap bottles, AmSan can help you prevent the spread of germs and the H1N1 virus in your workplace.

Contact AmSan for the products and supplies needed to combat the H1N1 Swine Flu Virus, including disinfectants, hand sanitizers, hand soap, and gloves.

Customer Care Phone: 866-41-AmSan (866-412-6726)

Customer Care Fax: 877-71-AmSan (877-712-6726)

e-Access 24/7/365 Online Ordering: <http://eaccess.amsan.com/>

Sincerely,

Jim Sheffer

PURELL Alcohol Based Hand Sanitizers

Whether or not you see them, germs are everywhere. They're on desks, phones, and even elevator buttons. And since most germs are spread by hands, it's easy to see how quickly those germs can spread in any setting where people interact.

Easy to use and as safe on hands as regular soap and water, alcohol-based PURELL kills 99.99% of most common germs that may make you sick. Best of all, you can make PURELL readily available whenever and wherever you need it. In fact, the U.S. Centers for Disease Control and Prevention (CDC) recommends the use of alcohol-based hand sanitizers to help prevent the spread of germs in hospitals, offices, schools, and child-care centers. PURELL also make good sense in foodservice, military, and manufacturing environments, where there is high potential for germs to spread.

Whether it's in a pump bottle, a wall dispenser, or even in your pocket, PURELL is the cost-effective way to practice good hand hygiene quickly and conveniently. Use PURELL regularly to help you, and those you are in touch with, steer clear of germs.

AmSan carries a wide selection of PURELL alcohol-based hand sanitizers.

View additional information on how PURELL can help stop the spread of the H1N1 Influenza A (Swine Flu) Virus by using the link below:
